Synopsis

MONOGRAPHS FROM THE ORDER OF ST. JEROME foster new talent in literature and the arts. These Monographs are works in which the author has performed most or all editorial and layout functions of this book. It has not been otherwise edited or modified. The brothers deem that this work offers significant value and entertainment to our patrons and fans of the Cthulhu Dark Ages roleplaying game.THE ABBEY: Saint Bartholomew's Abbey is an autonomous Benedictine monastery situated along the Lot river, nestled below the CÃƒÂ©vennes mountains within the Massif Central region of southeastern France. The year is 962 A.D., and this monastery is presented as an excellent place to begin your Cthulhu Dark Ages campaign. A second section of this monograph provides an overview of tenth-century France, intended to provide a backdrop against which to begin play. The third section presents the Order of St. Jerome. Within its ranks characters can find allies and invaluable support in their fight against darkness.
