Customer Reviews

This is a great book on Baby's First Year.All of the things, tips and guides that parents need to know about Baby Sleep and Baby Food are already included and well written inside. Christine J. Carter has done an incredible awesome job in compiling and creating this book.Also the unique part of this book is the compilations of the Healthy habits & Baby food approaches and tips for first foods. Very informative, useful and well explained.This book is really a great resource for parents those who want to learn more about Baby Sleep and Baby Food.

This book contains probably everything future parents should know about baby care and development! Very helpful and informative! First section is a month to month guide through baby's development. Second is dedicated to baby sleep and third is about baby food. Realy liked it!

Baby's First Year: Month by Month Guide for Parents:Includes Baby Sleep and Baby Food Editions(Supermom Series Book 6) Kindle EditionVery informativeRecommended for about to be parentsVery good articles from 1st to 9 months.

Great book! This book has practically all the possible info you need during the first year of your baby's growth. It includes detailed and step by step information of the child's development, food, and sleep habits during that tough first year. If you are expecting soon, this book is a must have for you.
