Customer Reviews

Son just moved to Jacksonville and I gave him this for Christmas. He was excited and I am certain he is getting a lot of use out of it. Looked at several online and this was the best option that I could find.

The only complaint I have about this guide to Jacksonville is the date of publication -- 2010. Wish they would publish an annual edition. Anyway, it is a very useful guide to restaurants, entertainment, annual events, tours, and attractions for children. More info than a state guide will offer. Very glad has it.

I have looked through several Jacksonville guides and this one is the most comprehensive, with

chapters for everyone (kids, pets, restaurants, even relocation).

Easy read. Useful

Very helpful if you want to know about Jacksonville. You will not regret getting this book!!! Our future daughter-in-law gave us for Christmas!!!

Was expecting more about individual neighborhoods.

I was looking for restaurant reviews and it had enough. I have not yet made the trip so I am not sure if I will agree with their suggestions just yet, but it gave me a good base to work from.
