Synopsis

Debbi Zepp s photos capture the southern charm and timeless beauty of the city of Savannah. The city s European-design squares: Orleans Square, Calhoun Square, Madison Square, Lafayette Square and Forsyth Park, and more are home to impressive gardens, memorial fountains and monuments. A variety of architectural style buildings throughout the city include wonderful gardens, stone sculptures and wrought iron features. Zepp has photographed the city's many museums and iconic landmarks including the Roundhouse Railroad Museum, the Telfair Museum, the Jepson Museum, the Ships of the Sea Museum, and the Savannah Civic Center in addition to the famed Mercer House on Monterey Square, Bonaventure cemetery, Davenport House, the Green-Meldren House, Juliette Gordon Low s birthplace, and historic buildings like the Old Cotton Exchange, the Custom House, City Hall, the Gilbert Civil Rights Museum, the Wormsloe Plantation and forts McAllister, Jackson and Pulaski. No book on Savannah would be complete without the breath-taking Lowcountry with its shrimp boats off the shoreline of sandy beaches or marshy creeks and inlets teeming with wildlife.

It brought back wonderful memories when my wife and I visited Savannah a number of years ago. This was a wedding present to a Canadian couple who visited the city before their marriage and loved it. It was meant to be a momento of their visit. Of course, I looked through it before wrapping.

loved it was a great book

Purchased this book after a trip to Savannah. Enjoyable to read about places I saw or would have liked to have seen.

This book just oozes with the charm of Old Savannah. It take the reader on a photographic journey of Savannah and its surrounds - the graceful live oaks, the natural beauty and captivating architecture are all here. Everytime I pick up that book I wish I was in Savannah where the living is easy and the folks are full of Southern hospitality.
