Synopsis

Druidry and Wicca are the two great streams of Western Pagan tradition. Both traditions are experiencing a renaissance all over the world, as more and more people seek a spirituality rooted in a love of nature and the land. Increasingly, readers are combining the ideas of both traditions to craft their own spiritual practice. In this down-to-earth, inspiring guide, Philip Carr-Gomm offers a name for this Path that draws on the common beliefs and practices of Wicca and Druidry: DruidCraft. DruidCraft draws on the traditions of scholarship, storytelling, magical craft and seasonal celebration of both the Craft and Druidry to offer inspiration, teachings, rituals, and magical techniques that can help you access your innate powers of creativity, intuition and healing.

Customer Reviews

Philip Carr-Gomm lives in Sussex, England, with his wife Stephanie. Initiated into both Wicca and Druidry, he is the author of Sacred Places, What Do Druids Believe?, Druid Mysteries, The Druid Way, and is co-author with Stephanie of The DruidCraft Tarot, The Druid Animal Oracle, and The Druid Plant Oracle. He is Chief of the Order of Bards Ovates & Druids.

I purchased the audio book and the kindle version. I have to tell you that of all the audio books I have purchased, this one is my absolute favorite. It is so well done!!! The voices are rich and pure! The music that plays between chapters is so beautiful and perfect! I just love it. I bought the kindle version as well for those times when I can’t listen to it and also for quick reference. This book has

come into my life just when I truely needed it. Funny how synchronicity occurs like that. :-)So for any of you that were wondering about the quality of the audio book...It is Wonderful! Don’t hesitate to purchase the spoken version along with your written version. The audio book is a complete unabridged version of the paperback. So Wonderful to listen to it. The stories in the book take on more meaning for me when listening to them spoken with the rich, clear voices of the author and his lady narrators. Thank you so much for this audio book. It is such a pleasure and a joy to hear!!!

Again, Philip Carr-Comm is the author I look to for the last word on Druidry. His depth of knowledge and his obvious dedication to the Druid way illuminate everything he writes on the subject.

A great book for beginners or novices who want to practice nature-based spirituality in a way that is gentle, intuitive, and re-affirming of one’s own views of the world. Would make a good book for a discussion group or class.

Phillip has put to words something many of us have felt for a long time. The worlds of Wicca and Druidry are complete within themselves, but they gain so much more when brought together into a single path. This is an amazingly well written book that is true to the Bardic tradition. I highly recommend it!

The book itself was in perfect condition! The book arrived exactly when I was told it would. The book itself is an amazing book full of good thoughts, history, magic, and great healing energy! Highly recommend the book for anyone who has found themselves between the spiritual paths of a Druid and a Wiccan.

I really enjoy this branch of Druidry and would love to see more points of view concerning its development. It is encouraging that this information is available in various formats.

Another wonderful book by Phillip Carr-Gomm. Great read (and great listen on audio version). Speaks to the heart and soul of those drawn to elements of Druidry and Wicca. Highly recommend it.

This book is short and provides only a brief look at the ways in which druidry and witchcraft beautifully complement each other and can very fruitfully work together. It is designed to be easy to

follow for someone unfamiliar with either form of spirituality and is very respectful of both paths and of the beliefs and preferences of the individual reader. It is a lyrical, enchanting and easy read and I love the fact that the practical suggestions it offers require only the most basic tools (e.g. candles and a bowl of water). It combines myth, dialogue, history and practical advice in one satisfying, thought-provoking and accessible read.
