Wow! Yet another amazing Cocker Brothers swoon worthy storyÃƒÂ¢Ã â„¢Ã Â¥ÃƒÂ¢Ã â„¢Ã Â¥ I don't do spoilers, so what you'll get from my reviews is whether or not to waste your time on the read...You Will NOT be wasting your time! Jason is the most overly sensitive, or shall I say Romantic ;) of the brothers and is not affraid to keep chasing after love. Sarah, so caught up in helping herfriend chase her dreams that she has let her wants and needs take a back seat....that is until she gets under the skin of one hot and sexy Cocker brotherÃƒÂ¢Ã â„¢Ã Â¡ÃƒÂ¢Ã â„¢Ã Â¡ There is jealousy, spitefullness, drama, hot steamy panty melting scenes, and so much more. The character development is realisitc and flows beautifully. These brothers are amongst my favorite and am ready and excited to read about Justin next! Thank you Faleena for such captivating workÃƒÂ¢Ã â„¢Ã Â¥ÃƒÂ¢Ã â„¢Ã Â¥

Another amazing read in this series. I fall so hard for these Cocker brothers!! How can you not? All of the brothers are so hot (and they know it). I can't wait for the next one, and definitely can't wait to find out what happens with the father. Faleena Hopkins is so talented you actually live in her stories, you don't just read them!!!

A enjoyed Cocky Romantic, book four in the Cocker Brothers of Atlanta series. It's the story of twin Jason and Sarah. Now once I got over my pet peeve - tall guys with short women - I liked the whole

opposites attract/hate to love you thing these two had going on.Justin features quiet a lot in this story but it’s to be expected him being the other twin. Mind you he really comes across as a bit of a dick in this story.After finishing this book a read all of the extra scenes and it was great seeing where these brothers ended up years in the future. As reader we get invested in the characters stories and often are left wondering what pans out for them so I thought it was a real series value add.

Love this book. It’s lighter and funny. And shows how guys think with their other heads. Love the brothers connection, how they watch out for each other. Sarah is very strong and loyal, but has insecurities that other girls feel around friends like Simone. This book gives you a feeling that you want to be in Sarah’s shoes with Jason in your arms. No words for his love to her. It’s so sexy and he makes her feel sexy.

I love this series and although it continues with the children of the Cocker brothers its not the same. I have now read 6 of the books, but I really wish there was another Cocker brother LOL! I hope these books are developed into a TV show. I seriously love these characters and want to see them brought to life ;)

Cocky Romantic is number 4 in Feleena Hopkins Crocker Brother Series. I could not put this book down.Jason is the sexy music producer and doesn’t even notice Sarah. Well not in the way she wishes he would. He is too busy sleeping with his newest star Simone, who just happens to be Sarah’s best friend. Sarah and Jason are constantly fighting over what they each think is best for Simone. Until one hot kiss at Simone’s release party turns there world upside down. Sarah finds herself feeling guilty over that kiss, even though she knows Simone has no feelings for Jason at all. Jason is equally as confused by his growing feeling for Sarah.Can they continue to fight the feelings that they are starting to have? Or will they give in to these crazy feeling that are developing?A definite must read.

The Cocker brother have one thing in common: arrogance. Everyone calls him a romantic, but JasonÃƒÂ¢Ã â ¬Ã â„¢s trouble is he falls for princesses. The selfish kind, not the fairytale. His twin Justin is willing to do whatever it takes to open JasonÃƒÂ¢Ã â ¬Ã â„¢s eyes. The only question is... even if the right woman came along, would Jason be able to even see her? Sarah has been Simone’s best friend since high school and follows her on her quest for success. Only Simone is

spoiled beyond belief and treats everyone horribly, including Sarah. Sarah stands by and works incredibly hard for Simone's dreams and allows her to mistreat her. When Jason falls, he falls hard. Sarah is unwilling to hurt her friend despite being mistreated herself.I voluntarily reviewed a copy of this book.

Jason finally gets his happily ever after! I knew Simone sucked and wasn't for him....can always tell the ones we snip at end up being the real deal! :)Onward to the next one to see how his twin fares! ;) if you haven't read the series grab them all and enjoy the Cocker men, I highly recommend!!!!
