Synopsis

Learn about the inspirational story of Princess DianaIn Princess Diana: A Biography of the Inspirational Royal you will learn about the life, accomplishments, and tragic passing of Princess Diana. Born into nobility and married into royalty, Princess Diana of Wales was a woman who made the world sit up and take notice of her. A philanthropist and a leader, she did not let her role as royalty limit her perception of the common people; if anything, she took it a step further and taught the world that be it HIV or leprosy, we are more than our ailments. From her infamous marriage to Prince Charles to the many, many things she accomplished, Princess Diana has left a mark on the world that lasts even today. Her death in a tragic accident robbed the world of someone who truly wanted to make a difference. Follow the life story of this extraordinary woman who took what she wanted without apology and became one of the most admired people in the world.Here is a preview of this biography:Broken ChildhoodFairy-Tale MarriageLife after MarriageA Modern MotherThe Ugly SeparationAn Ugly DeathPhilanthropic ContributionsHere is an excerpt from the book:Princess DianaÃ¢â ¬â„¢s tell-all interview given in 1995 shortly after her divorce did not go down well with the queen. But it strengthened DianaÃ¢â ¬â„¢s support base in the public. Even after she was ousted from the royal family, Diana remained the peopleÃ¢â ¬â„¢s princess for her life. Lady Diana has now been deceased for more than eighteen years but her dedicated fan base remains just as active. Very recently the photoshopped photograph of Lady Diana at her granddaughter, Princess Charlotte Elizabeth DianaÃ¢â ¬â„¢s christening ceremony began doing the rounds of the Internet. Many would have liked to see Diana alive during this ceremony but sadly Lady Di did not live long enough to get to see her granddaughter who happens to be just as beautiful as Princess Diana herself. DianaÃ¢â ¬â„¢s image has been also recreated for the cover of the Newsweek magazine, in 2011. The image was created to show how Lady Diana would have looked after becoming fifty years of age. She appeared in all her former glory walking beside the Duchess of Cambridge, Kate Middleton.
