Customer Reviews

This is such a great book for .99Ãƒâ Ã Â¢. It gives all the information that you need and want for that price plus more.

This is just a listing of an author’s books. It’s helpful, especially when trying to find books that are linked or in series.

This helps you keep track of the Kendra Elliot novels you have read. Found it most usefule.

It’s a listing of her books not a novel. Therefore it is very predictable, that’s why I bought it.

This checklist guide from Kendra Elliot is super helpful. Once I find an author I enjoy that writes in a series, I like to read them in that order. Most say they are stand alone novels but I find it more enjoyable to read from the beginning. Characters intertwine so the guide is always helpful. Love Kendra Elliot !!

I love the series. I love all the charactersAlways guessing until the end, I love it when I can’t guess who the villain is.

Great way of keeping the reader interested in finishing the series of books!
