Synopsis

This unique, re-engineered book defines and describes the new "paradigm" brought on by recent dramatic changes in the field of management. Managing Today! redefines the traditional "functional" approach employed by previous management books to more accurately reflect recent, fundamental changes in the economy and workplaceÃ¢â ¬â •changes that have significantly reshaped today's managers' jobs. Robbins' balanced approach presents an effective integration of theory and application displayed within a clear, visual design specifically tailored for today's readers. Coverage includes changing issues in today's workplace (risk, privatization, multiple skills, and continual retraining); culture shock; time-management skills; cycle-time reduction and technology transfer; virtual teams; human behavior; leadership; trust building; change management; and more. For human resources professionals, business managers/team leaders, and anyone interested in Organizational Behavior and Business Management.

Customer Reviews

This unique, re-engineered management text defines and describes the new "paradigm" brought on by dramatic changes in the field of management in recent years. Managing Today! redefines the traditional "functional" approach employed by previous management texts to more accurately reflect recent, fundamental changes in the economy and workplace that have significantly reshaped today's managers' jobs and presents coverage in a way that is designed specifically for today's students. --This text refers to an out of print or unavailable edition of this title.

This unique, re-engineered book defines and describes the new "paradigm" brought on by recent dramatic changes in the field of management. Managing Today! redefines the traditional "functional" approach employed by previous management books to more accurately reflect recent, fundamental changes in the economy and workplace—changes that have significantly reshaped today's managers' jobs. Robbins' balanced approach presents an effective integration of theory and application displayed within a clear, visual design specifically tailored for today's readers. Coverage includes changing issues in today's workplace (risk, privatization, multiple skills, and continual retraining); culture shock; time-management skills; cycle-time reduction and technology transfer; virtual teams; human behavior; leadership; trust building; change management; and more. For human resources professionals, business managers/team leaders, and anyone interested in Organizational Behavior and Business Management.

Very interesting book and rather well written. I've used it's tips several times now to expedite several dull tasks at work, and to help others too. Very useful.

Received my book within 3 days of ordering. Product arrived in great shape. Would definitely use this seller again.

Book was accurately described and delivery was speedy. I am well pleased with this transaction!

Very happy with my purchase, it was everything i had expected. Book was brand new and in mint condition.
