Synopsis

Truett and Truett's Eighth Edition shows how to use economic analysis to solve problems and make effective decisions in the complex world of business. The highly successful problem-solving approach, clear and accurate presentation of economic theory, and outstanding cases combine to make the best presentation of managerial economics yet.* Walks readers step by step through specific types of problems, including elasticity calculations, cost minimization, and profit maximization.* Shows how real-world firms have addressed issues discussed in the book.* Emphasizes the global aspects of managerial economics and its application in the international marketplace.

Customer Reviews

Awesome book!

The book that I bought came way before the expected day. Also the book looked like no one has used it.
