Synopsis

Traditional family recipes and the ancient Hellenic custom of welcoming the stranger as a friend known in Greece as philoxenia have inspired the uniquely welcoming ambience of Kokkari restaurant in San Francisco. A whole spring lamb spit-roasting over an open fire greets diners, and the menu offers familiar dishes like dolmades, avgolemono soup, and lamb moussaka along with more unusual Greek dishes such as deep fried smelt, watermelon and feta salad, and grilled octopus. Through its use of fresh seasonal ingredients, Kokkari brings a refined, cosmopolitan sensibility to a beloved Mediterranean culinary tradition. Its owners and chefs are proud to have ushered in a new era of appreciation for vibrant Greek flavors. Now they invite you to try some of their favorite dishes at home, and wish you a Greek bon appetit: kali orexi!

Customer Reviews

I am an avid cookbook collector/reader/cook and having bought this book last week, I have to declare it to be my current favorite. The book itself is beautiful - gorgeous photos of the restaurant and the food. I have already tried a number of the recipes and they are all excellent. Some of the

best flavors and food I have ever made. I do not say that lightly - high praise for this book indeed. And must for those who like Greek food. 5 stars.

Since I am of Greek descent I was curious of this cookbook, but it is great. And, my family and I will be going to one of their restaurants soon.

This book has outstanding recipes with a healthy Greek style a must.....in every kitchen. I simply love it!!!Also if you have the chance visit the Kokkari Restaurant in San Francisco.

This is an awesome cookbook! It’s beautiful to look at,and the background stories are a delight to read. Excellent information about ingredients and preparation techniques. And the recipes! From Greek classics to grilled dishes to wonderful vegetables and sides, each recipe is a mouth-watering delight. I’m thinking of planning a trip to San Francisco just to eat at the restaurant. In the meantime, I’m starting to work my way through one fantastic recipe to another.

Yes.....delivered on the perfect day for Christmas wrapping & in good condition! Extraordinary cook book. Hope to gift others this experience. Thankyou.

LOVE this cookbook. Have made many great recipes so far. Easy to follow instructions, just wish the cookbook was not printed in black can be a little hard to read.

This cookbook contains recipes for things that seem accurate and consistent with the flavors I seek in Greek food. Nothing odd, no strange ingredients, good technique. I am very happy.

just a couple of recipes tested and most of them ’tasted’ while reading!!!! Looking forward to moving on with cooking.
