On his next film, Mr.Magorium’s Wonder Emporium, he is both writerand director.Marc Forster is the Golden Globe-nominated director of Monster’s Ball, Finding Neverland, and Stranger Than Fiction. He will direct the next James Bond film. David Benioff, the screenwriter, also wrote the screenplays for Troy, Stay, and 25th Hour, which was based on his novel. This book includes notes from Marc Forster, Lindsay Doran, and Zach Helm. It also includes photocopies of notes that Zach took while he wrote the script.There are several scenes or parts of scenes in this script that didn’t make it into the final cut.Overall, I am pleased with this purchase.

Good condition. Thank you.

My choice for Best Picture but typically the Hollywood machine didn't think so enough even to nominate it. It is worth the price of a ticket jus to hear Emma Thompson deliver the punchline which I won't repeat so as not to spoil it for those of you who really should rent this movie.

Great movie, creative writing. This movie had more substance than 85% of the movies that came out last year. It's totally worth it to read the screenplay and watch the movie. If you are a filmmaker, it's a great film to learn from. i know I did.

This film deserved more than it got at the box office. Fortunately, Newmarket has delivered yet another A-grade edition of their screenwriter friendly series. Ideal for those of us who hung on every line.
