Synopsis

Boom Boom! Classics! contains ten simple and effective arrangements of classic themes from all-time great composers that will give students a fun way to learn about and perform classical music. A CD is included with rhythm band accompaniments and full performance with Boomwhackers(R) for each selection. It provides the student with musical concepts and a terrific accompaniment for performance. Opportunities to incorporate movement and other Orff instruments into the lessons are outlined by the author in her teaching suggestions for each piece. Titles: Turkish March * Hungarian Dance No. 5 * Slavonic Dance, Op. 46, No. 7 * Spinning Song * Theme from The Merry Widow * Rondeau Theme from Symphonic Suite No. 1 * Hopak * Can-Can * William Tell Overture * Theme from "The Trout" Quintet.

I used them at summer camp--a time when I didn't have enough time to get "good" with my instructions. The kids could only do so much with a short time, but it was fun. The aggressive inner city kids were too hard on them. All did grasp the idea; The DVD was most helpful

I ordered this book as well as the pop book. However, only the pop book came with the cd. Still an amazing book though.
