Synopsis

Black versus white. Yin versus yang. Good versus...wait, theyÃ¢â ¬â„¢re both evil. Or are they both good? Discuss. Everyone knows and loves Spy vs. Spy, the two MAD magazine spies locked in eternal, existential battle. In the rich tradition of Spy vs. Spy oneupsmanship, Spy vs. Spy 2: The Joke and Dagger Files is the follow-up to Spy vs. Spy: The Complete Casebook. This full-color sequel (only the spies are still black and white) takes up where the first volume left off and includes a foreword by J.J. Abrams, 230 Spy strips by Spy artist Peter Kuper, 56 Spy strips by Bob Clarke, 85 Spy strips and Sunday newspaper strips by Dave Manak, and material from the popular Spy Mountain Dew commercials, MAD TV spots, and MAD Kids Spy vs. Spy Jr. More colorful than the Casebook, evenmore packed with international intrigue, this is the one spy book to buy when you've already got the first one on your bookshelf.

Customer Reviews

David Shayne, one of the usual gang of idiots, is the author of MADvertising. A former member ofthe MAD editorial staff, he currently writes for television. He lives in Los Angeles.Peter Kuper, the primary artist for Spy vs. Spy since 1998, also createsart for Time, Newsweek, Esquire, The New York Times, and the NewYorker. He wrote and illustrated Sticks and Stones, an award-winningwordless graphic novel about the rise and fall of empires. He lives in Mexico.J.J. Abrams, the acclaimed TV and movie producer, director, and writer behind such huge hits as Lost, Alias, and Mission Impossible III, lives in Los Angeles.

This book is a fantastic edition to anyone who is a fan of MAD magazine or someone who just likes funny and classic comics. It is a cumulative collection of all the comics that were written by various authors after the original creator of the spies had passed away. The first half of this massive book is in highly detailed black in white colored with a sort of spray paint stencil effect. The second half is all color with the same effect and more modern and relevant events. Throughout the strips you see funny and intriguing scenes that make you laugh and think about them. With these strip you are also able to see the time they were written and events that were happening at the time through the artwork and scenes. This is something that I find neat, because it can kind of give you a visual history. Overall this book is one that will make you laugh, learn, and think; if you pass this collection up you will be missing out.

Cute book. Has a lot of the spy vs spy cartoon strips from past Mad magazines.

I was so glad I found this on here, I lost the copy I had before.

Bought the first book - had to buy this one. Terrific!

Have given him 3 or 4 now he love them

My father loves this old time comic. So excited when he got this and a shirt to match!

bueno

we love spy vs. spy, though they repeat the same cartoons in different books. We still love it a lot.
