Bless the Child ONE: At the tender age of ten, Amelia is orphaned when her parents are murdered because of a crime they were accused of committing during their rumsrpinga. When she returns to her childhood home, strange and frightening events warn that she will soon become a victim of the same fate if she is unsuccessful in solving the crime even the authorities couldn't solve. The secret she uncovers beneath the decaying floorboards of her dilapidated home makes her wish she'd never returned... and her parents are too dead to give her an explanation. TWO: SINS OF THE FATHER: When Kyle finds a barely-conscious woman on Zeb Yoder's property, he wonders if she was trying to break into the barn, or if she was running from it.When he begins to unravel the mystery of her identity, the secrets are a little too close to home; secrets someone will kill to keep them secret.Will Kyle find out who she is before it's too late for both of them? Or are they in danger of being murdered by someone they both know?THREE: Seth and Kyle grew up believing they were cousins, and had made a blood-brother pact when they were young. But with that pact came responsibility. After years of not seeing each other, Kyle must go in search of Seth to make good on that pact. But does that pact involve murder?How many more secrets will they find buried on Old Man YoderÃ¢â ¬â„¢s farm?FOUR: When Amelia interrupts a man in the process of kidnapping her infant son, Gabriel, she feels her only choice is to bargain with the man, and convince him to take her too. Being held for ransom by a man who thinks there is still money left from the robbery her parentÃ¢â ¬â„¢s committed almost twenty years ago, she begins to realize there may have been more to that crime than sheÃ¢â ¬â„¢s originally thought. In a race to get herself and her son rescued, Amelia puts coded messages in the ransom letters the man forces her to write. Will her husband and family be able to decode her pleas for her life before itÃ¢â ¬â„¢s too late?

Customer Reviews

Enjoyable read, but I couldn't believe that it could really happen. All the books together tell one story, climaxing with a feel-good ending.

VERY ENJOYABLE

I read all the books in this series as they came out. They are the first Amish mystery books I've read and I really enjoyed them. I hope she does more like this.

This was not like any Amish book I've ever read. I would not really even call it Amish. An old man who murdered as many people as children he fathered. Had to keep going back to figure out who was dead or alive. Because some who were assumed dead were not. Also in the first story, no explanation why Amelia was told her mother died and why her mother was told Amelia died! I've enjoyed Samantha Bayarr's books in the past, but for me, this one was disappointing.

These stories all involve the same families, so there is some continuity. However, the plot lines are quite contrived and convoluted.

This is an absolutely wonderful series by Samantha Bayarr. I read each book as soon as it was published and enjoyed them very much. My favorite character is Amelia. Her trials, joys, and

struggles make for a very memorable book.I strongly recommend this series for everyone who likes Amish fiction and for everyone who appreciates a finely written mystery.

This set of books was awesome. I really enjoyed reading this Amish Mystery series.

Absolutely loved this series. Couldn’t wait to read the next book after I finished each one. Couldn’t wait to see what happened next. A real page turner.
