I love that it is based off of our local dance studio. Great gift idea.

terrible , looks like a 3 year old made it

Cute book that also tells the story of the nutcracker as you color along. Single sided images, non perforated....great book! I would recommend this book for beginners to advanced colorists. Something for everyone!

I purchased this coloring book a few months back directly from the author at an event where she was promoting it.It is beautifully illustrated. Would make a wonderful gift for anyone!
