Customer Reviews

Very well written and to the point. The author included a nice mix of mindset, inspiration and strategy.I really like the idea of focusing on what you already know/enjoy/understand or are passionate about investigating and turning it into a lifestyle business online.I would especially recommend it for beginners, however even people who have previous experience in making money online can benefit from this guide. I like the step-by-step structure too!

Online Business Success is a great starting point for anyone who wants to start and run their own successful online business. It’s packed with insightful information and questions to get you started. I loved how the author focused on the importance of passion and all the questions she asks to help you find it. I completely agree that passion is key. There were several other useful nuggets in here that I only learned or understood recently after running an author business for almost 4 years! I wish I had this book when I was starting out because the things it shares about finding your ideal customer and niche are crucial. Recommended quick but super helpful read for any new online entrepreneur!

I absolutely loved this book! I love the simple format and wording it provides for beginners starting a

business. I think this book is essential and so much help for someone who is starting a business and gathering the information to get started in a simple , quick and easy start . Sometimes as business owners we tend to get so overwhelmed with starting something new that we end up not knowing where to start because of the over load of information we have . This book guides you step to step to getting started and it's loaded with valuable information . I was amazed with all the quotes , references of speakers and successful people that this book provides . I recommend this book ÃƒÂ Ã Å¸Ã â ™Ã Â especially for those who are hungry for success .

If you want to start an online business, this is the first book you must read. It is concise, written in a simple to understand format and the resources linked enable all beginners to reinforce lessons taught in the book. It is the solid foundation to build your business on.

I was lucky enough to have received an advance reader copy of this book and I am forever grateful. I learned a lot about how to approach my business and the steps I need take to insured success. Among many other things, the book provides amazing resources to get you clear on your business goals, audience and methods, while it also provides links to get you started on making money NOW. The book is easy to understand, and the author provides easy to do action steps that sets the entrepreneur up for success. I Loved it!

If you want to read something that is sure to add value to building your business (and your life in general) this is the book for you. The author eloquently breaks down key fundamentals in building a business and provides plenty of useful resources so the reader can apply into their lives immediately. She openly writes about her experiences and gives examples to clearly convey the different pieces of the business puzzle. This is a very informative book and is well worth your time!

This is a great book! It causes you to think and seek answers within yourself to find you life's passion to ensure you're actually pursuing your dreams and not wasting time. I love the analogy of the Wizard of OZ the author use to paint the vision of the universe placing things in your path once you set out on the road leading to your desired outcome. This book will helpful for anyone considering starting an online business.

I was given this book as a gift. And I have to say, that it was well worth my time to read. I have been searching for ways to build an online business, but didn't know how to do it. The fundamentals

described here allowed me to get a firm grasp on what I need to do and how to do it effectively. The part on how to share my business with others was very helpful.
