Customer Reviews

A hole-in-one for golfers, cartoon enthusiasts, and lovers of The New Yorker alike, this book includes more than a hundred cartoons about the game drawn from the magazine's eighty-seven-year history. The New Yorker Book of Golf Cartoons brings together work from such cartoonists as Charles Addams, Roz Chast, Whitney Darrow, Jr., Edward Koren, George Price, and William Steig as they observe the passions and absurdities of the world of golf, on and off the course. Edited by Robert Mankoff, the cartoon editor of The New Yorker, and featuring an

introduction by the cartoonist Danny Shanahan, this collection highlights the humor of the game so many think they can’t live with, and find they can’t live without.

Robert Mankoff is the cartoon editor of The New Yorker. He is also a cartoonist, and more than 900 of his cartoons have been published in the magazine in the past thirty years, including the best-selling New Yorker cartoon of all time. He is the author of the book The Naked Cartoonist, published in 2002, about the creative process behind developing magazine-style cartoons. He has also edited dozens of cartoon books and published four of his own. Danny Shanahan has published more than 800 cartoons, covers, and illustrations in The New Yorker since 1988. His work has also appeared in many other publications, including Time, Newsweek, Playboy, Esquire, and the New York Times. Shanahan has illustrated several children’s books, has had four collections of his own cartoons published, and has had work exhibited in museums and galleries, from London and Berlin to New York and San Francisco.

I’m a guy, laughed a lot, but was rather irked by the sexism. In this book, women are either ignorant of the sport, inept at it, or silly about it. Or their husband is leaving them or they are leaving their husband because of the sport. If this edition is "Revised and Updated" the previous one must have been really archaic.

Nice gift book - Gave this as a Christmas gift and it was a novel gift idea for a long-time golfer.

A gift. Dad seemed to appreciate it and looks forward to some laughs.

Cartoons not up to The New Yorker standard. Disappointing.

I you like new Yorker cartoons and you like Golf then this is the book for you.

Humor and Golf -- the perfect combination.

Very dated.

Fabulous cartoons!
