Customer Reviews

Fifty lewd stories various authors various narratorsFirst story: didn’t do anything for me. But the narrator was interesting I instantly thought, I thought, Marge Simpson narrating porn. The narration saves it giving it a 3.Second story: is a bit better spanking is my main kink, there’s a little in it. Story gets a 3. Narrator has a wonderful voice raising it to a 4.The 3rd story - the 13th story get 3s.14th story has spanking, though a couple of elements that I don’t care for. It gets a 4.15th - 17th these are 3s.18th story is a 4.19th story is a 320th - 21st the narrator was boring for these both put me to sleep 2 the stories seemed well written but the narration was blah.22nd - 30th got 3s31st - 35 At this point I got rather bored, feeling like i was just listening to the same stories over again just with new names. I fast forwarded to each new chapter hearing titles and one line explanations I didn’t find

anything different enough to interest me enough to listen any more.In conclusion I feel that most of the stories were well written. But they became repetitious. If you just want spicy this is good. There's a lot of sex just for the sake of sex, there are about 15 stories with a actual story to them as well as sex. Well I don't recall if any story was longer than a half hour and you really can't expect much in that amount of time. I think there should be some sort of list for you to find the type you like, or perhaps break up the stories into types.This audiobook was given to me for free at my request from the publisher or author and I provided this voluntary review.
