This is an amazing coloring book full of classic and new art from the long and rich history of The Flash. The pages are smooth high stock paper. I use colored pencils so the pages don’t bleed through and the color comes out vibrant and clear. Highly recommend this to all comic fans, especially those of the Scarlet speedster.

My wife loves it! The Flash is one of her all time favorite heroes, and there’s a really amazing selection of covers in this book.

Cool. What a great coloring book. My son, Flash’s biggest fan, loves this book. He uses it to color and to help him draw his own Flash pictures.Since he didn’t know that a Flash coloring book

existed, it was a great birthday surprise for him.. The book is nice, the pictures are cool., and thesize is perfect..

This book is awsome, I'm 38 and always find time to color my favorite super hero's.

Christmas gift for a teenager. She absolutely loved it!

My son loves it!
