Customer Reviews

Great book on african recipes! Highly recommended and I wish I had actually read this book sooner! I am a complete beginner and I couldn't have hoped for anyone to shed as much light on this topic as this book has for me!Highly recommended and I give this a 5 star review!

Whenever I buy a recipe book I test several of their suggestions right off. If the food taste awful I have nothing nice to say about the book. I got African Recipes and right off tried the Curry Chicken - I'm a sucker for great chicken dishes and these turned out to be mouth water and better than described. What a great book and must have for any kitchen that wants a touch of different that tastes sensational. Pick up a few copies and share with friends as this book will make a surprisingly nice gift. Had no choice but to give it 5 stars and can't wait to try a few more of these wonderful recipes.

This is my first book on African recipes and I've always wanted to try preparing them myself.My favorite dish so far has been the Baba Ghanoush.

Well written. Am eager to try all of the delicious recipes in the book.

Instant easy to do recipes on my phone. Perfect!

This book is no doubt a valuable addition to your cuisine books. It is loaded with mouth watering recipes for different palettes especially those who favor spice.The Moroccan cooked pepper salad and the Egyptian vegetable bowl are among my favorite dishes I have tried out so favor. The nutritional information for every recipe is a real bonus for all!

James finds a lot of surprisingly great meals in this African Recipes cookbook! The Spicy Potato Noodles was to die for! It called for just the right amount of green Chile peppers! If you have never tried fried Cauliflower the Egyptian style you are in for a real good treat!

This book can be a satisfaction for the people whom are looking for interesting and also healthy foods.I am also a man, looking for various good food.I think this book can be an important feature of anybody’s kitchen.So do not delay. Just keep it UP to your kitchen !
