Synopsis

Bow Wow! DOGS is the 8th book in Christi Friesen's Ã¢â ¬Å“Beyond Projects series and it's full of doggone good fun.Perfect for crafters of all skill levels from beginners to advanced. This book has a section on polymer basics, and full-color, detailed step-by-step instructions with lots and lots of photos. It's simple to make these polymer pups and clayful canines!Christi's warm and humorous writing style and helpful tips and tricks will take you through the Ã¢â ¬Å“Build A DogÃ¢â ¬Â• basics, and then beyond to breed specifics. Of course not every breed in the world can be covered in depth, but you'll find lots of details to help you craft your favorite dog!And since your own personal pet is the most important project of all, you'll love the Ã¢â ¬Å“Pet PortraitsÃ¢â ¬Â• project Ã¢â ¬â œ perfect for turning a picture of you own best friend into a miniature work of art!Want a special treat?! Take this book out for a romp!

Customer Reviews

Great books for people wanting to learn some basics to working with polymer clay. I was a little disappointed in this book (Dogs) because she doesn't finish alot of projects in it, she does the 1st part and then makes you go to her website but for the most part I enjoyed the book.

Love all of Christies books. They are very well written and with her witty humor.. make a fun read.

cute ideas

Very cool.

Christi Friesen is one of the best at humorous teaching. I have almost all of her polymer clay books. They are fun to read and fun to try the techniques.

You will love Christi's humor and most of all her down to earth knowledge which she shares with you. Makes you want to just jump into using polymer clay. I have bought every one of her books after this one!

I love it! I have all her books in this series. The instructions are easy to follow and make really cute figurines or beads.

Excellent book - great for beginners and more advanced clay makers.
