Stephen Cosgrove is one of the best-selling childrenÃ¢â ¬â„¢s book authors of all time. His writing career began in 1973 when, while shopping at bookstores for his three-year-old daughter, he was frustrated by the lack of fun-to-read picture books that also convey positive values. Consequently, he decided to write his own stories. Cosgrove went on to create four titles that became the foundation of his best-selling Serendipity series, which has sold over 80 million copies worldwide. Since then, he has written more than 300 books, some under his own name and others using pseudonyms, ranging from picture books to young adult thrillers. The winner of the Coors Lumen Award for family values and multiple ChildrenÃ¢â ¬â„¢s Choice Awards, he lives in Austin, TX.Robin James is a gifted illustrator and a native of the Pacific Northwest. She has loved art and animals all her life and has been drawing ever since she could hold a pencil. Through the years, she

has created a wide variety of artwork from animal portraits to wildlife paintings and has illustrated over 75 childrenÃ¢â ¬â„¢s books, and is published worldwide. She lives in Snohomish, WA.

Serendipity books are simply wonderful. The stories are meaningful and the illustrations are some of the most creative and beautiful I've ever seen in in children's books. Each one is a treasure.
