Synopsis

Graffiti 365 delivers the first real insider's view into the contemporary graffiti and street-art scenes, as well as their antecedents. A fun, wide-ranging survey of the international graffiti movement, this book uses more than 600 rare, previously unpublished, or legendary images to introduce and describe important artists--from Blade to Banksy--and styles--from bubble to wild. Along the way, Graffiti 365 covers different eras, cities, legendary walls and crews, police and public responses to graffiti, and more. The author of Graffiti 365, J.SON, has been an artist and historian of the graffiti movement for decades--he started writing graffiti in 1973 and retired in 1984. Unparalleled in its breadth and depth of coverage, Graffiti 365 is a wide-angle snapshot of an entire movement.Graffiti365.com

Customer Reviews

Jay Ã¢â ¬Å“J.SONÃ¢â ¬Â• Edlin has written for The Source, Blaze, and Mass Appeal. He recently was interviewed for Jon NaarÃ¢â ¬â„¢s Birth of Graffiti. Andrew Ã¢â ¬Å“ZephyrÃ¢â ¬Â• Witten is the author of Dondi White: Style Master General and has written for Vibe, The Source, and Juxtapoz.

On a recent trip to Rio I became fascinated with the varying styles of street artists and this book definitely stoked my curiosity. It's a beautiful coffee table book chronicling contemporary street art and artists from around the world. For each artist, on one side there's a beautiful full color shot of a

work of art, and on the other there's a profile of that artist's technique and history. The book is great for active reading as an encyclopedia of the movers and shakers in the street art world or can act as a great passive read for browsing photos.

Love it. A must have.

This book is awesome. It is full of pictures, artists, and information on the different subcultures of graffiti and street art. I highly recommend to anyone, whether its somebody trying to understand the concepts of street art or to people who just love to look at different graffiti and art styles.

This book is very informative with many pictures and details about different artist. This is a must have to add to the collection. Great Book.

I bought this book for a graffiti artist friend and he loves it! So, I am satisfied. He'd actually wanted this book for a long time.

Just as ordered.

This is a good example of many street art styles and the artists. There are short paragraphs about the artists and maybe 1 picture of their work. So many of the styles all blur together. I was hoping for more.

Great Book! I wish the packaged it a little better in the box since some of the edges of the hard cover book are smooshed. Other than that, great coffee table book :)
