Every book I looked at previously had a whole chapter on stationary. Give me a break! For the realistic and DIY bride, this is the book you need. Also get the supplement:Bridal Bargains: Secrets To Planning A Fantastic Wedding on a Realistic Budget

They tell you all the horror stories and you will lose faith in the wedding industry but YOU WILL KNOW WHAT TO LOOK FOR. Has so many tips and tricks as well as tell you how to be sure you aren’t getting ripped off! So many brides can get ripped off by these dress companies and caterers and venues. This book tells you exactly how to get what you expect.I’m not the bride but the maid of honor and got this book as a gift but I read it (in less than 2 days) before I gave it to the bride. That way when I go with the bride, I can help her spot trouble and be sure the vendors understand exactly what she wants and for how much!

I used file folders for my wedding planner, but the related book, "Bridal Bargains: Screts to Planning A Fantastic Wedding on a Realistic Budget" by Denise Fields is my go-to book. It has great bulleted questions for vendors to sample and question for the best options. It helped me break down the bill.

Perfect book to keep my daughter organized and on track. She is organized anyway - but a wedding can quickly become overwhelming especially if we are doing it in 7 months instead of a year. This book is awesome!

The BB book is even better!

Love this, nice layout and pockets

I'm highly upset! This book was used and torn up completely to the point where I couldn't even use it. There was also writing in it so I couldn't even plan my own wedding I had to look at what someone choose to do for there wedding instead. I'm I infuriated by this! Never ordering again.

This wedding Planner worked perfect for me! I have only 6 months to plan my wedding and this has helped me make sure that I have everything covered. It has worksheets for you to fill out for a budget and other things like check list! Without this planner I would of forgot a lot of import things that I wanted at my wedding. But it also gives you a timeline of when to do things...I highly recommend to any of my future bride friends
