Customer Reviews

Replaced a worn out copy perfectly!

Very good. Nice quality, print was easy to read.

I'm very sorry to say, but it's not what I expected. I thought it's an Urtext edition - my mistake. And even worse -the print quality of the 2nd piano part is terrible. Unfortunately I couldn't return it because I was very sick and by the time I was well, it was past the time limit on return.The same comment for all the other Beethoven Concertos I ordered.Thank you.
