Synopsis

The strong God of Exodus. The ancient poetry of the Psalms, and the eternal teachings of Proverbs. Matthew, Mark, Luke, and the mystical beauty of John. The new heaven and earth of Revelation. Ã Â Ã Â Ã Â Bible versesÃ¢â ¬â •an enduring source of guidance, peace, and rejuvenationÃ¢â ¬â •are here given a very special treatment in colorful letterpress illustrations that bring each phrase to life in a fresh and meaningful way. The verses are drawn from seven translations (including the New International Version, The New Revised Standard Version, and The King James Bible) and arranged in order, beginning with Genesis 1:1. These selections include 100 of the most distinctly meaningful passages of the Old and New Testament, made even more powerful through the transformative lens of art. Ã Â Ã Â Ã Â Ã Â Like a contemporary update on medieval illuminated manuscripts, the book combines the timeless words of the Bible with timely artworkÃ¢â ¬â •in this case, hand-lettering and illustration in a variety of beautiful styles and remarkable aesthetics from 25 contemporary artists. ItÃ¢â ¬â„¢s a new and vibrant way to experience the living word.

I stumbled upon this while browsing for a gift for a graduate. I wanted to get something that inspired, wasn't boring, and was something she would WANT to read/look at. This fit the requirements! Since there was no preview of the pages inside, I took a chance after reading the great reviews and bought a few for gifts. I was so happy when they arrived! The artwork is beautiful and truly captivating. I can see the girls I'm gifting them to, snapping pictures of them to post on instagram or to send to friends. I'm excited to give them and will definitely be ordering these again whenever I need a gift that inspires! Now if only they made a male version... men are so hard to shop for!

Wonderful way to memorize and meditate on scripture. Great for encouraging the sick or bereaved. Beautiful images. After getting one for myself, I'm now buying several for gifts for others who could use some encouragement. It's smaller than a typical coffee table book, but is certainly elegant enough for display.

I really enjoyed how each verse was illustrated. It really showcases each verses beauty. I am sure I will be looking at it often.

Beautiful work! I love flipping through and marvelling at the exquisite designs these artists have crafted into some of the most uplifting Bible verses.

Such a beautiful book. I bought several copies to give as gifts. The illustrations are beautiful and colorful. It is eye catching and a great book to turn to for quick moments of inspiration.

Book exceed expectations. Bible verses are beautiful and come with the full passage to give some context, and are also ordered in the same book order as the bible (Genesis to Revelation). I'm going to buy more to gift to more people (including one for myself!).

Love this little book. Great Art work and inspiring. Its a small book and a handy size.

Loved this book but multiple pages were not cut and when pulled apart gently ripped. Happened about 10 times throughout book. Was going to rebuy for a friend but will not be doing so now
