Synopsis

"During Bugenhagen’s absence Luther preached a long while for him, regularly, on the fifth, sixth and seventh chapters of Matthew, beginning Nov. 9, 1530. These sermons were then published, first in 1532, at Wittenberg, under Joseph Klug, in quarto; in 1533 at Marburg, in octavo; and in 1539, again in Wittenberg, in quarto, under Johann Weiss. In 1533 they were also translated into Latin by Vincent Obsopoeus."In this Irmischer edition these sermons are thrown into the form of a running commentary, and as such they are now presented to the English reading public by the Lutheran Publication Society.When requested by a committee of this Board to translate this work, I called attention to the peculiar roughness and even fierceness of Luther’s way of expressing himself and of denouncing the minions of the papacy. But the committee judged it best that Luther should be allowed to speak for himself, presuming that intelligent English readers will make due allowance for the style of speech common in that day, and for the peculiarly aggravating circumstances under which that noble man of God was called to labor. An admirable vindication of these "Asperities" appeared in the ninth volume of our excellent Quarterly Review, in 1881; it is from the pen of Rev. Dr. Morris, one of Luther’s most enthusiastic admirers.Charles A. Hay.Gettysburg, Feb. 11, 1892.

First time I've ever read Luther's writings. He received his bachelor and Master degrees in 4 years, then went on to receive his Doctrate and 2 more degrees if i remember. So reading this bookcemented his intelligence, what I did not realize was his penchant for calling a spade a spade. It seems so out of place in our feminized world of political correctness to hear Luther tell you exactly what he is thinking and using words that are hilarious. You can't help but think, I hope I'm on his side. This is a true commentary in that he handles the scripture from a professor of theology standpoint, but does not back down in giving his opinion. Great insight on the Sermon on the Mount, I'v thouroughly enjoyed this book.

(Disclaimer: I am not a theologian.) As a Christian with some gray hairs, it seems good to take the time to understand ÃƒÂ¢Ã â ¬Ã Å“The Sermon the MountÃƒÂ¢Ã â ¬Ã Â• (SOM). God freed Christians from the requirement of perfect compliance to the Old Testament law for salvation. But in loving gratitude, Christians seek to please their King and Savior. Jesus gave His people the commandment to love one another. I am not competent to address the ceremonial and judicial portions of the Old Testament law. However, it is clear that the moral portion of the Old Testament law helps to define what ÃƒÂ¢Ã â ¬Ã Å“loving one anotherÃƒÂ¢Ã â ¬Ã Â• means. The SOM provides great light into the moral law. LutherÃƒÂ¢Ã â ¬Ã â„¢s commentary on the SOM is useful to anyone seeking to understand the SOM, and thereby the moral law and therefor LOVE. In addition, it is my personal experience that SOM principles can save a Christian much needless loss and suffering in life. It is difficult to imagine a better investment of 99 cents than procuring the Kindle version of this book.

Great read! The Sermon on the Mount declares to us what we are through the grace of God working in our lives; and because of what we are. what our relationship to the law is For this reason. the Sermon on the Mount needs to be taken in context.This is a must read for Christians and for those who want to read more of Martin Luther's writings.

Luther is again, outstanding in his analysis of the Sermon on the Mount. It is the ultimate explanation for a Christian.

Luther’s insights into scripture are always worth reading. He applied God’s Word to his life and to everything around him from politics, his conflict with the Pope, to people working in the fields and at trades. Some is less applicable to today, but much of it could be written to our times just as well.

It is the foundation of our Chistian faith! A must read. LUTHER is the father of our Protestant beliefs. Know GOD’S LOVING PLAN FOR YOUR LIFE!

Great classic
