Synopsis

In her 55th bestselling novel, Danielle Steel explores the seasons of an extraordinary friendship, weaving the story of three couples, lifelong friends, for whom a monthÃ¢â ¬â„¢s holiday in St. Tropez becomes a summer of change, revelation, secrets, surprises, and new beginnings . . . As Diana Morrison laid the table for six at her elegant Central Park apartment, there was no warning of what was to come. Spending New YearÃ¢â ¬â„¢s Eve together was a sacred tradition for Diana, her husband of thirty-two years, Eric, and their best friends, Pascale and John Donnally and Anne and Robert Smith. The future looked rosy as the long-time friends sipped champagne and talked of renting a villa together in the South of France the following summer. But life had other plans . . .Just two weeks after New YearÃ¢â ¬â„¢s, tragedy strikes the heart of their close circle, as Robert Smith suffers a sudden, unexpected loss. Without hesitation, Diana and Eric, Pascale and John rally to his side, united in their support, love, and shared grief. Convinced that a change of scenery is just what Robert needs, they urge him to join them on the Riviera in August. But as they soon discover, the ramshackle old mansion they rented in St. Tropez--sight unseen--is far different from the exquisite villa and sun-drenched gardens touted in the brochure. Cobwebs hang from the ceiling. Beds collapse beneath them. All while a would-be housekeeper in a leopard-skin bikini and six-inch heels sashays through the house with a trio of yapping poodles at her heels. But the biggest surprise of all is the woman Robert invites to the villa as his guest--a lovely, much-younger film actress with mile-long legs and a million-dollar smile. Diana and Pascale hate her on sight. But the men are dazzled. And amid the crumbling furniture and the glorious sunsets, the strained relationships and the acts of forgiveness, more surprises are in store for the villaÃ¢â ¬â„¢s occupants. With the last days of summer fast approaching, each couple finds themselves changing in unexpected ways, as old wounds are healed, new love discovered, and miracles unfold...all beneath the dazzling sun of St. Tropez.By turns wise and moving, heartbreaking and wickedly funny, Danielle SteelÃ¢â ¬â„¢s new novel is about forgiving without forgetting, about the sorrow that shadows our lives and the hope that saves us. And it is about once-in-a-lifetime friendships . . .the kind that heal, sustain, and change us forever.From the Hardcover edition.

Customer Reviews

A long-planned vacation in St. Tropez goes wrong in any number of ways in this latest platinum-frosted amusement by Steel. Three pairs of friends in their 50s and 60s decide to spend a month together in the south of France, but before the trip, tragedy strikes two of the couples. Judge Robert Smith loses his beloved wife, Anne, and Diana Morrison discovers that her obstetrician husband, Eric, is having an affair with a much younger patient, though Diana’s "minor cosmetic surgery... had knocked ten years off her age." John Donnally, an irascible investment banker, and his French wife, Pascale, a former ballerina, try to do what they can to keep everyone’s spirits up. The friends eventually convene in St. Tropez, but the house that looked so perfect in the marketing photos is far from what they expected, and it takes Herculean effort by Pascale and the eccentric caretakers to get it up to snuff. Robert has a new love interest visit, though it is only seven months since his wife’s death, and she, to the chagrin of the ladies, is an actress many years his junior. Will the friends’ relationship survive these changes? The answer is a foregone conclusion, and the frills and froth of the packaging can’t quite conceal the silliness of some of the goings-on, but Steel fans will lap this up. When Robert Smith’s wife dies, some longtime friends decide to spirit him away for a little vacation. They just didn’t expect the villa they rented to be such a dump and that Robert would arrive with a gorgeous young film star in tow. Copyright 2002 Reed Business Information, Inc.

Everything I expected.....

Bought this as a gift for my grandmother, she loves Danielle Steel novels and this was a perfect

addition to her collection!

Good read

It was very inspiring? Relationships are so important with our friends. I Always like a happy ending!!

Love all her books. This one is a particular favorite. The characters are unique in the way they enter act while each is committed to the group.

Once again, Danielle has scored a big one.The story started a little slow, for me, and very soon I could hardly put it down.introducing me to this part of France, she made me feel I was there on the Rivera with them, enjoying the scenery, weather, and atmosphere.

It is one of the shortest of her books I've read. It's about couples that have been friends forever. Their vacation that was to be spent in a great old house that turns out to be in disrepair. How it ends up being one of the best vacations.

I love Danielle Steel books! This isn't one of her better ones, but still a good read.
