Customer Reviews

"Clearly written and well illustrated with numerous examples. Any American public library serving a community with active mah jongg groups will want Sandberg's book." Ã¢â ¬â •Library Journal"Finally, novices have a tool to help them through the learning curveÃ¢â ¬Â|Armed with the knowledge gained from this book, you can join a game with other players, confident that you are up to the challenge." Ã¢â ¬â •Tom Sloper, Game designer and producer; International Mah Jongg Consultant

Elaine Sandberg has been a Mah Jongg instructor for many years. She has taught American mah jongg for Holland America Cruise Lines and currently teaches classes in the Los Angeles area.

Not a book "Mah Jongg for Dummies" but it seems to be easy to follow. I will need to sit down with my set and see how it goes. Maj Jongg is not an easy game and it takes time and practice.

If you want to learn how to play the American version of Mah Jongg, this is a great book. My problem is, I have a traditional Mah Jongg set which actually has different tiles than the American version. There is actually some exceptionally good information on the internet for rules and strategies for traditional Mah Jongg.It was my own fault for not knowing the difference, not the fault of the author.

Don’t know enough abuout Mah Jongg to say anything negative. Very readable, clear and understandable.

am really enjoying reading and trying to follow it so that I can play a better game with friends

wife said it tells her everything she needs to know....as a new player...she enjoys the book.

Found out that in our small town, there were 200 women playing this game. There is a revival of interest in Mah Jongg, because it is a beautiful game and can be filled with strategy. But it is fun, but you do have to learn the basics. Great if you and a couple of friends get someone to give you a few lessons, but you can learn this from reading the books.

Great book. Right to the point and easy to understand.

This a perfect first book on playing American Mah Jongg. It was a big help for me in understand the elements of play.and a bit of strategy. Her advise to practice, practice, practice in setting up the tiles for play was invaluable for me as I didn’t take a Mah Jongg class... I’d still be floundering if not for this book. It’s an interesting game. Thank you Elaine Sandberg!!
