Synopsis

ESL students preparing to take the Test of English for International Communication will find six full-length practice exams that reflect the actual TOEIC in length, subject matter, question types, and degree of difficulty. Two of the tests follow the format of the TOEIC administered in Korea and Japan and soon to be given in other countries. Four tests follow the format of the TOEIC administered everywhere else. Barron's TOEIC Practice Exams manual provides students with extensive practice in the actual test-taking experience as an efficient way of improving their score when they take the actual TOEIC. All questions are answered and explained. Audio for all six TOEIC listening comprehension sections is included on the enclosed MP3 CD. Also included are recommendations for web-based self-study activities.
