Synopsis

A new school year and new friends for everyone’s favorite classroom pet! Humphrey is excited to get back to Room 26 and see all his old classmates. But on the first day of school, a bunch of strange kids arrive and no matter how loudly he squeaks up, they don’t realize they’re in the wrong room! Finally Humphrey realizes that these kids are his new classmates, and he sets off to learn all about them. He hasn’t forgotten about his friends from last year, and of course they miss him a ton. But when they start talking about taking him from Mrs. Brisbane’s room, Humphrey gets unsqueakably nervous. How could he say good-bye to Mrs. Brisbane and Og--not to mention his new friends--for good?

Our grandson first learned about these books when his kindergarten teacher read one to the class! He, immediately, wanted to have some for himself. I started buying Humphrey books for him last Christmas and will finish the series this year. We have also purchased the Humphrey Tiny Tales. Our grandson is in second grade now and can read the Tiny Tales with ease. What a wonderful series of books this is!

Ok so first of all, Humphrey is ADORABLE-ADORABLE-ADORABLE (lol). Second, I think in one of the books Humphrey should meet another hamster owned by a classmate. I REALLY-REALLY-REALLY want a Syrian hamster like Humphrey. My teacher has a classroom pet, he's a Guinea pig named Charlie. I love how the story is from Humphrey's point of view. It would be cute if Humphrey "bathed" himself like other hamsters. I have a roborovski dwarf hamster named Jingle. PS I am not K. Beth M... I am just using her account. PPS I LOVE-LOVE-LOVE Little Humphrey!!!

I love this book! I bought it to read to my 3rd grade class at the beginning of the school year. They loved the book! I've read it for two years now as a read aloud to me class. Each time I read it my students beg me to read another book from the series. My collection of these books is growing in my classroom library. The kids are devouring them! Humphrey is a lovable character and he makes us all laugh as we read about the crazy things he does around his classroom.

Humphrey is a great read of books!

My son loves these books. He is not someone who loves reading. But he is loving this whole series of books. Whoo hoo!

Daughter loves, great service!

awesomeI LOVE IT i wonder what the next one is likeI have one more to read love it so farNOTE: this review is by my daughter, age 10

My 11 year old son and I read this series of books together. It is a unique story from a classroom

hamster's point of view. Each book is different and entertaining. Well written and a page Turner. Both my son and I never want to put the books down.
