Synopsis

The ""prequel"" to Barbara Barber's widely-used Scales for Advanced Violinists is here! Scales for Young Violinists is a user-friendly scale system which presents two-octave major, melodic minor, and harmonic minor scales with arpeggios. The first five Foundation Keys (C, D, E, F, G) introduce beginning double-stops in octaves, 3rds, and 6ths, remaining in first position. One-octave scales in double-stop octaves, 3rds, 6ths, and harmonics are presented in all twelve keys. Preparatory shifting exercises, bowing and rhythmic variants, a helpful circle of 5ths, and progress chart make this the perfect beginning scale book for every violin student.

Book Information

Paperback: 40 pages

Publisher: Alfred Music (September 1, 2014)

Customer Reviews

Thank you- great book!

I love itthis is a good book that it helps my son better at violin this great!

Yes, for the young violinist, with ten years of solid practice.Ok why?~ Keys of F#, Eb for the violin. I think not.~ Third Position Scales, I think not.~ Third Position Double Stops, I think not.Too much of the book ÃƒÂ¢Ã â ¬Ã Å“For the Young ViolinistÃƒÂ¢Ã â ¬Ã Â• is years over their heads.For what is essential to the young violinist are the Major Scales in one or two octaves, which can be down-loaded form several web-sits.Save your money until you or yours have at least 5 years of solid practice.
