Customer Reviews

Just purchased, but love the cd which has all the songs with piano accompaniment and then all repeated of piano only, for you, the violinist, to have as an accompaniment. Nicely done. The book is well prepared, also. Will caution though...be careful who you order from as it took me three separate orders of three separate vendors to receive the item (here on). Lot of run around. Happy to finally have the book and the cd.

Exactly as advertised! The only thing I would change is the entire book is in several languages. It would have been nice and smaller if it was just in english. I may have been able to fit it in myviolin case

My daughter was starting violin lessons and the teacher asked me to get this book. Had it in time for her first lesson which was only 4 days from when I ordered the book. Had it in 2 days.

As described.

Good instruction!

great for self taught lessons

thank you

Good product recommended from my daughters violin teacher
