Customer Reviews

The print in this bible is just normal size so it you are buying it because it says larger print think again you will not be happy with it.The bible is great print to small.

It was delivered to a prison, so I haven’t seen the copy. But it was a good price, and the recipient was glad to get it.

This is the second time that I received the same tiny print Bible though it states Larger print on the cover. I want a BIG PRINT Bible. I will search again to find a LARGE PRINT NIV Bible. I gave it 2 stars instead of 1 because the 1st star indicates my reaction to be " I hate it". I dislike it because it is not what I ordered...Large Print Bible.Mamie Coldwater

Print is semi-large not very large and paper is like newsprint in texture and color

They were much smaller than I anticipated, but still contain the word; it’s just smaller print.

My one complaint is that the description claims "larger print", but the print is not larger than normal. I get that the Bible is compact size, but if it’s not large print, don’t claim that it is. It’s not a deal breaker; I’ll just wear my reading glasses. :-) Jesus’ dialogue is not in red, but I didn’t expect it to be. Be careful, pages are very thin, so they’re easily torn. Binding and cover (paperback) are fine. All in all, it’s a very good Bible for the price.

It’s a God thing. Easy to read, great reference, and it works for me.

Enjoy reading this version of the bible.
