Synopsis

In 2014, after moving to New Jersey with her husband, Leanne Lauricella brought home her first goats: baby Jax and Opie. She was addicted immediately. Two months later she added Tig, Nero, and Otto to the crew. Leanne, who is vegan, was in love with all of them, and she wanted to share their individual personalities and funny antics with the rest of the world in hopes that people would start to view them as fun and lovable pets rather than food sources. In the calendar Goats of Anarchy 2018 Leanne shares adorable photos of her goats with descriptions of their personalities and funny anecdotes about their antics.

When she left New York City for the wilds of New Jersey in 2011, Leanne Laurciella knew nothing about animal sanctuaries. She started her Instagram account, @goatsofanarchy, shortly after getting her first two goats, Jax and Opie. Over 400,000 followers and one Webby Award later, Leanne's Instagram has turned into a non-profit organization thatÃ Â continues to provide special-needs goats a happy and loving forever home. Today, Leanne somehow finds time to write while caring for her goat family,Ã Â and has written a coffee table book, children's books, and calendars about everyday life at her sanctuary.

I ordered this for my wife. She has been trying to get one for 2 years! I saw it on pre order and got it for her. I forgot I ordered it till the calendar showed up in the mail.My wife loved it too! She knew all the goats in the pictures by name.

Adorable and I am so excited to get it! Love Goats of Anarchy and seeing all the personalities of the goats is soo cute. My granddaughters love it!

Why are you even reading the reviews? What is there to think about? Put it in your cart and make it so.I pre-ordered this calendar and hung it in my office the day I got it even though it doesn't even start until September 2017. I don't care, I didn't buy it to know what day it is, I just love Goats of Anarchy.

These goats are adorable! I've followed GOA for a little while now on Facebook (still crying over Lawson!). Can't wait to proudly display my calendar in 2018!!

I love this calendar! Love supporting a cause as well as having a cute decoration in my office. Now when people ask about it, I can share the love about GoA.

this is the first calendar i've ever actually spent money on to display in my home. goats of anarchy's instagram makes my day every day and their posts are something i look forward to upon waking up :). this calendar is fantastic and brings a smile to my face every time i look at it

A piece of art that everyone would be lucky to have in there home.

The pictures are lovely. But the numerals on the date pages are so dim that they just melt away unless they arre lying on the desk in front of you. Calendars should have bold numbers.
