Customer Reviews

I first saw this book at a children's museum and immediately came home and ordered copies for our home and for my son's preschool. The photography, as in all DK books, is exceptional and fabulous to look at.Every home library should have a copy, as well as each child's school.Definitely order 2 copies when you buy one and donate the extra copy to your library or school.The book introduces children to different cultures and was used in our home from preschool through kindergarten.
