Ram Dass, one of America’s most beloved spiritual figures, has made his mark on the world by teaching the path of the heart and promoting service in the areas of social consciousness and care for the dying. Ram Dass became a pivotal influence in our culture with the publication of Be Here Now. In fact, those words have become a catchphrase. He now makes his home in Maui and teaches worldwide through his website, RamDass.org, continuing the work of Neem Karoli Baba through his Love Serve Remember Foundation. Sue Zipkin gains inspiration from the beauty of

nature and things we don’t always see with our eyes but can feel with our hearts. She is inspired by the mysteries of the universe and the hidden worldsÃ Â inÃ Â everything. Textures and patterns found on flowers, insects, and dewdrops fascinate her. Zipkin’s art is the focal point of Amber Lotus’s Ram Dass calendar and greeting cards.

This is the first time I bought this type of Planner. It is beautiful, even better it feels good in the hand. Not to big, nor to small. I will use this to list my food/exercise while on the go, especially at work.

Very pleased.
