Synopsis

Books in Barron’s Complete Pet Owner’s Manuals series present basic information on a wide variety of pets for new or soon-to-be pet owners. Advice and instruction cover proper feeding, housing, health care, training, grooming, protection against hazards, and much more. Texts emphasize basics and are easy for all readers to understand, but most titles in this series also present facts that even experienced pet owners and breeders havn’t encountered before. Each manual has been individually written by an expertÃ¢â ¬â ¢many of them professional breeders or veterinarians. All volumes are filled with full-color photos of the highest quality and with instructive line drawings.

Best Sellers Rank: #754,903 in Books (See Top 100 in Books) #244 inÃ Â Books > Crafts, Hobbies & Home > Pets & Animal Care > Birds

Customer Reviews

Dad loved this book, simple steps and he loves his rescue cockatoo!

Perhaps one of the most useless books I have ever purchased. Normally I trust Barron’s books to be full of very useful information. This book is barely a pamphlet and provides a new "Too owner with such bare bones info (most readily available on Too sites, and with better explanations an depth). It lumps all of the Toos together until the end where a VERY generic and nearly pointless breed description is given. Look elsewhere if you are looking into obtaining one of these wonderful birds with far more quirks and individuality than this lame excuse for a guide will offer.

As+a+21+year+partner+of+a+Cockatoo,+I+recommend+the+book+to+other+potential+cockatoo+o

wners+and+give+it+as+a+gift+to+those+finding+the+relationship+between+a+person+and+a+cockatoo+a+challenge.

Cockatoos are birds to be reckoned with when they aren't trained or cared for properly. They demand lots of attention and love. They can also be very destructive if not given enough stimulation and attention.

Just what I needed for my adoptee.

Excellent book for anyone thinking of getting a cockatoo.

Had all the information I was looking for!!!

Great reference book for Cockatoo owners. It has good information about Cocaktoo. I use it as a reference for my cockatoo.
