Customer Reviews

I would recommend this book to anyone who likes a good whodunnit. I have read most of Hope's books and have never been disappointed. Everyone would enjoy this mystery.

Always looking forward to A Garden Girls Cosy Mystery book. My very favorite in all the books Hope Callahan writes. This book didn't disappoint..As always well written, and enjoyable interesting book to read. Thank you for many nights of good reading. Can't wait until the next one.

I GET SO EXCITED WHEN A NEW BOOK IN THIS SERIES IS AVAILABLE..I HOPE THERE ARE MANY MORE TO COME.THIS IS MY FAVORITE CHRISTIAN MYSTERY SERIES AND I HAVE READ THEM ALL SO FAR AND WILL CONTINUE TO DO SO.I JUST CAN NOT GET ENOUGH OF THE GARDEN GIRLS...

The Garden Girls do it again, they bring us into their group, let us in on their secrets and show us their faith. Fun, mystery and mischief, Hope Callaghan always does a great job of making us feel like part of the story, the mystery and the fun!

If you want to learn more about the characters of this series, then read this one. Such an interesting group and I love how supportive they are of each other. The storyline is fresh and never a dull moment. I just wish that I didn't have to wait so long for the next one.

As I started reading this, it was like being among old friends again! I thoroughly enjoyed it and wished it was longer! Hope Callahan has done it again and I'm looking forward to her next book!!! I love good clean cozy mysteries.

The Garden Girls are at it again! Yay! Keep them coming, Hope! More! Longer!I can always count on Hope to produce another Godly mystery to read.No profanity, lurid sex or violence, just a good, solid, well-written mystery.

This is a great series. I have read all 16 books and looking forward to #17. Each book is as good as the one before. If you like murder mysteries without the blood and guts this series is for you. It has romance, humor and great characters. Start with the first book and you will be hooked.
