Synopsis

Ellet Joseph Waggoner (1855 Ã¢â ¬â œ 1916) was a leading Seventh-day Adventist preacher and writer.In his famous book Christ and His Righteousness, he writes,"Christ has been set forth by God as the One through whom forgiveness of sins is to be obtained; and this forgiveness consists simply in the declaration of His righteousness (which is the righteousness of God) for their remission. God, Ã¢â ¬Å“who is rich in mercyÃ¢â ¬Â• (Eph. 2:4), and who delights in it, puts His own righteousness on the sinner who believes in Jesus, as a substitute for his sins. Surely, this is a profitable exchange for the sinner, and it is no loss to God, for He is infinite in holiness, and the supply can never be diminished."Chapters include:1. How Shall We Consider Christ?2. Is Christ God?3. Is Christ a Created Being?4. God Manifest in the Flesh5. Important Practical Lessons6. Christ the Lawgiver7. The Righteousness of God8. Waggoner leads the reader point by point into an intimate relationship and understanding of the Father. Very deep subject made understandable.

This is one fo the best books if not the best book on the Righteousness of Christ that I have ever read. I is so sound in biblical truth. If you really want to meet Christ and what He has done for you, you must read this book. It is a book full of hope and assurance.

I was reminded of why and how Jesus Christ provided his salvation to a lost planet, how he gave up everything for me.

Absolutely wonderful book. Pure Righteousness by Faith theology. I would highly recommend this book.

All my life I have struggled trying to understand what happened in 1888 and what Righteousness by faith really was. This book clears it and makes it understood for me, the first time in my life. I read it three times and continue to pick it up and read in it again. If ever you want a book that explains what Christ has done for those the believe in Him, this is the book. Waggoner was dearly loved by Ellen White and she recommended his understanding of this subject. Please do not miss it. I am 78 and searched years for this understanding. I highly recomned it to any that are searching.

This was a gift for my husband and he says it is wonderful
