Customer Reviews

Nice little compact booklet that has some background info on each book of the bible. A paragraph or two on each book, discussing the author or other notable background details of why each book became part of the bible. I keep it in the door pocket of my wife’s car so if we are ever out running errands and find ourselves waiting somewhere I always have some light reading. I like it!

i would like to read this book, but when i purchased it, it did NOT download. "an error occured". now, if ive paid for it, please undo the "error" and allow me down load it and read it

Great little book to introduce you to each book of the Bible
