Amazing quotes by one of the most wise and loving men that has ever lived. Highly recommended to anyone interested in learning about Ali. Also to anyone interested in the real atmosphere of early Islam, not the radical innovations that are attracting so much attention these days.

I got goosebumps while reading Each adage of Imam Ali (as). Truly, what a mesmerizing character

of a human!I think the book would be even more interesting if a brief was provided as to under what circumstances did Imam Ali b. Abi Talib (as) reveal each proverb.

Awesome Thanks *****

Wise words of a wise man this book is a must for all Muslims regardless of sect, and is good for anyone interested in the teachings of one of the major pillars of Islam.

The collection of sayings does not provide context for each maxim.

The book contains the words of ' babe madinatul Ilm' and ' lisanullah' hence it is bound to be extra ordinary.....

i dont think i would have enough words to praise the knowledge of Ali(s.a.). This only adds to show how much of a great human he was.

Can't compare the adages of Maulana Ali AS with anything in the world. Simply out of the world.
