Synopsis

This book presents the powerful basics of the original Teachings of Abraham. Within these pages, youÃ¢â ¬â„¢ll learn how all things, wanted and unwanted, are brought to you by this most powerful law of the universe, the Law of Attraction. (that which is like unto itself is drawn). YouÃ¢â ¬â„¢ve most likely heard the saying Ã¢â ¬Å“Like attracts like,Ã¢â ¬Â• Ã¢â ¬Å“Birds of a feather flock together,Ã¢â ¬Â• or Ã¢â ¬Å“It is done unto you as you believeÃ¢â ¬Â• (a belief is only a thought you keep thinking); and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never before been explained in as clear and practical terms as in this latest book by New York Times best-selling authors, Esther and Jerry Hicks. Learn here about the omnipresent Laws that govern this Universe and how to make them work to your advantage. The understanding that youÃ¢â ¬â„¢ll achieve by reading this book will take all the guesswork out of daily living. YouÃ¢â ¬â„¢ll finally understand just about everything thatÃ¢â ¬â„¢s happening in your own life as well as in the lives of those youÃ¢â ¬â„¢re interacting with. This book will help you to joyously be, do, or have anything that you desire!

This is a great book. But it doesn't really get into "The Secret BEHIND The Secret" so-to-speak. "The Master Key System" by Charles F. Haanel still is, and will ALWAYS be, the greatest book on this subject that has ever existed. It is "one stop shopping" and explains it all in a very simple and easy-to-read book that is almost a hundred years old. This book was the third I got from Esther and Jerry Hicks, and was not a bad read for what I knew at the time. But "The Master Key System" was TRULY the life-transforming book I needed to read. And THAT was the one that changed my life. This one goes into WHAT The Law of Attraction can do. But not really HOW or WHY.

I am new to Esther and Jerry Hicks but they are on it. Abraham has helped me put some missing pieces together. I am able to see some things so much clearly. They will be a part of my life until I leave this earth. Also, I am pleased with the supplier. I received the DVD in record time and it was in great shape.

This is ago of book to start with if you haven't read any of the Abraham books. It is also a good one to go back to if you read others when they first came out. Whether you are comfortable with the concept of channeled information or not, read this book. If you look at all that is said by Abraham, it is all clearly how it is. Pay attention to your life and you will see it.

Teaches you so many different techniques to really help you get control of your thoughts. A must read. The way they explain everything in such literal terms will give you so many "ah hah!!" Moments.

I'm loving my new spiritual practice of incorporating the Law of Attraction w/ other spiritual beliefs! Adopting a more positive life outlook has greatly changed my life for the better. I now wake up happy & inspired instead of worried about what I don't have or what task I didn't complete. The book is a very easy and comfortable read. At first I was taken back by the talk of being able to conjure up a being and allow it to speak through a person; however, I continued to read for better understanding, and I totally received it. My spiritual awakening is new so I'm taking baby steps to heighten my spiritual growth and this book, among others, definitely helps.

What an amazing dvd set. It kept my attention throughout the entire 5 disc set...I feel inspired and at peace. I would recommend this to everyone

I purchased this last week and have finished listening to it. If you are like me and have tons of their DVDs, CDs, & Books you will be more than satisfied with the material in these 5 cds. There is lots of information I heard that surprised me and expanded on info I already knew. Processes that I found helpful for goal focusing. No matter where you are in the learning process these cds will be of benefit and the more you listen over and over it will only get better. The irony is that I purchased their books "A new Beginning" Vol I and Vol II. Volume I with in the first 2 chapters contained some of the same info the cds had. I highly recommend this CD set. My only issue was that I like to burn my audios into my laptop so I can put them on my phone and listen to them everywhere, I was only able to burn CDs 1,2, & 3... (4 and 5 couldn't be burned, not sure why). I will ck back for comments if anyone has more pointed questions.

The Law Of Attraction CD is an excellent tool for ones growth. In my opinion, It is a necessary compliment to the book because I find it beneficial in hearing the words-it seems to give the material more power. Arthur Ford said that "THoughts are things", and Edgar Cayce exclaimed that "The mind is the the builder,the physical isthe result." THoughts do create your existence, whether positive or negative, and this CD re-inforcesthis claim. It is an abridged version of the book; however, the authors cover the subject thoroughly. Abraham, the group which channels information through Esther Hicks, explains plainly and simply how one attracts both positive and negative events into their life. The teachings are broken down into categories: The Law Of Attraction; The Science Of Deliberate Creation; The Law Of Allowing; and Segment Intending. I find the CD helpful in reinforcing the written version of the same title. I highly recommend both the book and the CD.
