Synopsis

Bringing together the top names in the field, this sharply clinical yet user friendly work aims to educate pediatricians, family practitioners, and other health care providers about the special issues pertaining to the management of headache in children and adolescents. This is an exciting area with new indications for adolescents of drugs theretofore approved only fore adults.

Customer Reviews

Paul Winner, DO, FAAN, FAAJP, FAHS Director, Palm Beach Headache Center Director Premiere Research Institute at Palm Beach Nuerology West Palm Beach, Florida Donald W. Lewis, MD, FAAN, FAAP Professor and Chairman Dept of Pediatrics Children's Hospital of the King's Daughters Eastern Virginia Medical School Norfolk, Virginia A. David Rothner, MD Pediatric Neurologist Cleveland Clinic Cleveland, OH

A must read for any clinician treating patients with headaches. It is an extremely insightful tool. Even though it is titled Headache in Adolescents and Children, this text contains pertinent information regarding headaches and their treatment in adults.

Recommended by my neurologist...he wrote the book. Didn't find it very interesting.J Musolino
