Synopsis

"The Rough Guide to the Cotswolds" is your definitive handbook to one of the most beautiful and diverse holiday destinations in the UK. From stately homes and wildlife parks to modern art galleries, country walks and adventure sports, the full-colour section introduces all of the regions' highlights. For every town and village, there are comprehensive and opinionated reviews of all the best places to eat, drink and stay to suit every budget. It brings the Cotswolds bang up-to-date; out go musty tearooms and chintzy B&Bs and in come the best of the area's new contemporary restaurants, boutique-styled hotels and top-rated country pubs. There's plenty of practical advice and a special focus on the region's gastronomy with features on specialist farmers' markets, local farm shops, gastro-pubs and country restaurants. The guide also comes complete with easy-to-use maps for every area making sure you don't miss the unmissable. Make the most of your time on Earth with "The Rough Guide to the Cotswolds".

Customer Reviews

The holiday-makers' favourite guidebook series The Sunday Times Travel Magazine

Rough Guides are great and this one is no exception. All you need to know about the area you are visiting without a lot of useless info and fluff.

but a bit overwhelming. This guide seemingly covers almost every little village in the Cotswolds. At times, they all seem to blur together. The book is divided, however, into regions, so I suspect once I

arrive in England, I will find it more useful. Plenty of good advice on where to eat, though, and lots of good detail about the MANY places covered.

I've just started reading this and will probably pick it up numerous times between now and when we travel to England. So far it does seem quite helpful. Glad to find a guide that combines both the Cotswolds and Oxford.

I haven't actually taken the trip yet, so will update later, but the book has been incredibly helpful for planning. Good descriptions and details - and surprisingly many color pictures.

Dont miss this place and a great guide.

Useful for reading start to finish. It was so hard to find anything with the navigation/search system of the Kindle version that my wife quit trying.

Told me where to go, how to get there and why I wanted to go, with a bit of humor.

So much information which would be great if visiting a particular area. The basics at the beginning are good info for a first time traveller in the Cotswolds.
