Stunning photos and an informative text capture the essence of the Big IslandÃƒÂ¢Ã â ¬Ã â •magnificent mountain ranges, breathtaking waterfalls, black sand beaches, awesome inspiring volcanoes and much more. 11" x 14" ÃƒÂ¢Ã â ¬Ã Â¢ 144 pp ÃƒÂ¢Ã â ¬Ã Â¢ Hardcover

Although this book is a few years old it still holds up as a beautiful and informative review of the Big Island and it’s history. The pictures are amazing and the writing gives lots of interesting information about the people and places on the Big Island. I was able to get it for a great price on compared to full price in the Volcanoes National Park gift shop. Plus I didn’t have to pack it in my suitcase; more room for bringing home that great Kona coffee!

I had previously purchased a volume of the collection (Hawaii) on a trip toOahu and I liked a lot: accurate descriptions and excellent pictures, although Iseen the advertisements on the National Geographic guide! Some photos are quiteold, very 80’s, but for the editor’s own admission are images collectedin the time spent in the archipelago. After having visited other islandsI wanted to

complete the collection and so I chose .com.Ultimately, however, are satisfied, I miss only the volume of Maui that will buy non-I will have just visited. I suggest buying at all.

We've been to the Big Island many times and this book does a great job of capturing the spirit of the Big Island. As a useful tabletop book it displays very good images of the island. We liked the imagery as it shows places that we have not yet been and leads you to want to find a way to explore more of the island.

Good read Great pics

Excellent

It's very nice to see all the spectacular sights of Hawaii in one volume. I have been to the Big Island several times, and obviously missed some of the great venues, which I won't miss next time (except maybe close-up to the volcanos). Beautiful photography and well done with the explanations. It's more than a book of nice pictures - also a travel planning guide. I recommend it for all tropical visitors - and bring your own camera!

Several of our adult Children love Hawaii like we do. This made a great gift, especially with their trip to Big Island this last summer.
