Synopsis

This is the captivating biography of a football superstar.Quarterback Peyton Manning’s career symbolizes family, faith, and competitiveness. The son of former NFL great Archie Manning and the older brother of Eli Manning, he has made the Indianapolis Colts his extended family as well. Although he possesses a good deal of natural talent, Manning struggled on many occasions throughout his career. To his detractors, he was the spoiled kid of doting parents, the antithesis of the "self-made football player." Manning earned his way to football greatness in Miami in 2007 after leading the Colts to their first Super Bowl win in 36 years. This fascinating biography explores the life of the only player in his career to be named NFL MVP, Super Bowl MVP, and Pro Bowl MPV. Off the gridiron, Manning’s PeyBack Foundation supports leadership programs for disadvantaged youth in Indiana, Tennessee, and Louisiana, displaying his dedication to family and family values.This captivating, colorful biography traces Manning’s childhood, influences, and personal life, and is complete with full-color photographs, informative sidebars, a bibliography, and much more.

Customer Reviews

Samuel Willard Crompton is the author or editor of more than 40 books. He also is a major contributor to the American National Biography and the two-volume sports edition of Scribner’s Encyclopedia of American Lives. He currently resides in Chesterfield, Massachusetts.

very good. will buy next time . fine. my neighbor love it, Very sharp and strong product. It was my first kind of cutting product for food and I am very impressed. I’ve had it for a few months now and

its sharpness is still the best of all the knives I have.
