Synopsis

Have you always wanted to learn how to speak Norwegian but simply didnÃ¢â ¬â„¢t have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations workÃ¢â ¬â •discoveries that are detailed further in this bookÃ¢â ¬â •Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversantÃ¢â ¬â •now. If your desire is to learn complicated grammatical rules or to speak perfectly proper and precise Norwegian, this book is not for you. However, if you need to actually hold a conversation while on a trip to Norway, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that whatÃ¢â ¬â„¢s most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc., can come later. This is one of the several, in a series of instructional language guides, the Nitzany MethodÃ¢â ¬â„¢s revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With Conversational Norwegian Quick and Easy, all you need are forty-six pages. Learn Norwegian today, not tomorrow, and get started now!
