Customer Reviews

The map is very nice. It is laminated and easy to fold. One problem is that whoever shipped the product folded it in half to place inside the mailer. Now the map is creased and flops over rather than staying rigid. Annoying -- a slightly larger mailer could have been used to prevent the damage.

All in & variety of languages.

I liked this map. More than enough English, although labeled in several other languages too. Okay size for my backpack or a large coat pocket.
